The information disclosure statement (IDS) submitted on 11/10/03 has been considered by the examiner.

Allowable Subject Matter

Claims 23-26 and 36-40 are allowed.

The following is an examiner's statement of reasons for allowance: none of the cited prior art teaches or suggests a method for operating an optical switch having the combined steps specified in claim 23; particularly, the step of "holding the micromirror assembly ... of the micromirror assembly on the substrate." (second paragraph of the claim). Claims 24-26 and 36-40 are dependent claims and thus allowable at least for the same reasons.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
